Cabin passengers occupying Staterooms on the Promenade Decks, will use Dining Saloon A, and those in Rooms on the Upper Deck will take their meals in Dining Saloon B. In assigning the seats there will be shown as far as possible due regard to the wishes of the passengers. If two sittings are necessary, children paying half fare take their meals at the second sitting. Meals will be served in staterooms or on deck only in case of sickness.

Smoking is not allowed in the dining saloons, music rooms, library, staterooms and corridors.

Deck Chairs may be hired from Deck steward at a charge of \$1.00 each for the voyage.

Steamer Rugs may be hired at a charge of 75 cents each for the voyage.

Blankets and Pillows must not be taken from the staterooms for use on deck.

Baths—Passengers will please order baths from the Bathroom Steward or the Stewardess. The Bathrooms are open from 6 a. m. to 10 p. m.

Library—Books may be obtained from the Library in accordance with the rules of the Company, upon application to the Deck Steward. The full value of lost or damaged books must be paid by the borrower.

Doctor and Nurse—A Physician approved by the Swedish Board of Health and an experienced Nurse are employed on board. The Doctor is authorized to make customary charges subject to approval of the Commander for treating passengers at their request for illness not originated on board the ship. In the case of sickness contracted on board, no charge will be made and medicine will be provided free.

Music—The musicians of the steamer are paid for their services by the Company, and must not accept any reward from passengers. Exceptions from this rule may be made on special occasions, but only with the Commander's approval.

The Orchestra will play as follows:

1 to 2.30 p. m.

6.30 to 8.00 p. m.

alternating in both dining saloons.

9 to 11 p. m., every day on deck, in the Music Room or Dining Saloons, whichever is deemed most suitable.

Wireless Telegraphy—The steamer is nearly always in communication with shore stations or passing ships. The Telegraph Operator will receive messages for transmission and quote rates for Radio telegrams and Ocean letters. The Swedish American Line is not responsible for the transmission of such messages. For further information kindly apply to the Radio Office on the Boat-deck.

Letters—Passengers desiring to have these forwarded by the Pilot from Sandy Hook must leave same (fully prepaid) at the Purser's Office within one hour after leaving the Pier. Other letters must be stamped with Swedish stamps and put in the mail boxes.

Stamps are obtainable from the saloon stewards or from the office.

Lights—At 11 p. m. the lights are turned out in the Cabin Smoking Room and all other Public Rooms. After these hours and up to 7 a. m. Decks and Public Rooms are not accessible to passengers.

Promenade Deck—Cabin passengers must not enter Third Class Promenade Deck or Saloons.

Valuables—In the Purser's Office the Company has provided a safe in which Passengers may deposit money or other valuables for safe-keeping. As the Company makes no charge for taking care of such articles during the voyage, no responsibility can be accepted for possible loss or damage however such may arise, but Passengers can protect themselves by insurance. The Company is not liable to the Passengers for the loss of valuables kept in the cabins.

Exchange of Money—For the convenience of the Passengers the Purser is prepared to exchange a limited amount of Foreign Money and will give due notice when the Exchange will be open.

Travelers Cheques—are accepted in payment of accounts, but the Purser does not always carry funds to enable him to cash same.

Service—Passengers are courteously requested not to call the attendants during their meal hours or between 11 p. m. and 6 a. m. except in cases of urgency.

Stewards and Stewardesses are strictly instructed to courteously and promptly carry out passengers' reasonable requests for attendance. Neglects herein should be reported to Chief Stewards or to the Purser.

Baggage—Only ordinary steamer trunks and handbaggage are allowed in the staterooms. All such baggage must be provided with "Stateroom" labels. Other trunks labelled "Wanted" will be placed in the baggage room to which there is access every day 10—11 A. M. and 3—4 P. M. Baggage labelled "Hold" will be placed in ship's hold and will not be accessible during the voyage.

On disembarking passengers are specially requested to claim their baggage before leaving the Customs shed, otherwise considerable delay and extra charge for carriage will be incurred in forwarding to destination any baggage not accompanying passengers on the railway.

Passengers in Transit may have their heavy baggage forwarded through in bond, without custom examination in Sweden.

Storage of Baggage—Passengers who desire to have their baggage stored while touring, may arrange therefor through the Baggage Department of the Line in Gothenburg.
